

INTRODUCING

TicorAgent 3.0

Ticor Title proudly presents the release of TicorAgent 3.0

With an updated user interface, TicorAgent 3.0 brings you the same great features with a modern sleek design. Our new features include a quicker way to access more information using our unique Link button, a more dynamic comparison of loan types, new video tutorials, and more.

Slide

Slide gives you the ability to compare loan types, rates, term lengths and more within seconds. There's no need to run additional estimates, just slide from the results screen to compare.

Link*

Link allows you to utilize all of the features in TicorAgent 3.0 with one click of the link button. It is placed in several locations on the application and will link you to additional collective data.

Play

Play lets you watch short videos on every screen, taking the "built-in" manual to another level.

Shake*

Now you can create personalized and professional flyers for your clients and send them immediately to your social media feeds.

* Link and Shake are available only with TicorAgent 3.0 Pro. Visit Google Play or iTunes and search for TicorAgent 3.0. Compatibility: Requires iOS 4.3 or later. Compatible with iPhone, iPad, and iPod touch. Optimized for iPhone 5 and 6. Requires Android 2.0 and up.
